6<sup>th</sup> September 2021

Dear parents,

Welcome back to our new school year. I write with information of some forthcoming events.

## **Class Meetings**

Each of our class teachers will be hosting a live Google Meet for parents on Wednesday 15<sup>th</sup> September at 6pm. The link for the Google Meet will be posted in the stream for parents to access via their child's login details.

The meetings will last for no more than 30 minutes and are intended to give parents an opportunity to meet the new class teacher and hear about plans, events and information relevant to your class for the year ahead. Teachers will also be happy to answer any questions you may have. Please email the school office before the 15<sup>th</sup> September with any specific questions that can be answered at these meetings.

For parents who are unable to log into these meetings or have children in more than one class, teachers will produce a summary document of all information covered and will post this onto the secure google class stream for you to access.

## **Individual Meetings**

Following this virtual class meeting, we also intend to offer on-site, face to face individual meetings for parents, after school on Wednesday 13<sup>th</sup> and Thursday 14<sup>th</sup> October. These meetings can alternatively be held as telephone appointments for parents who would prefer this option. Further information will be given regarding these appointments closer to the time.

In addition to both of these parent meetings, we intend to send a written attainment and progress report home for your child before the end of the autumn term.

Should you ever wish to speak to a member of staff, you are also welcome to contact your class teacher via the school office, or speak to myself or Mr Hughes on the playground.

Many thanks,

Mrs Thorpe

Deputy Headteacher
