

# St. Mary of the Angels Catholic Primary School

Headteacher;

Mr. R. Hughes

B.A. Hons, PGCE, NPQH

20<sup>th</sup> September 2021

Dear Parents,

Essar, Ignite TSA, National Waterways, the University of Liverpool and various other partners have put together a '**STEM**' festival. (**S**cience, **T**echnology, **E**ngineering and **M**aths), called 'Essar Steam Festival'.

Year 5 will be participating in the festival on Monday 4<sup>th</sup> October 2021, 9.45 – 11.45am. The children will be taking part in a number of exciting workshops which are age appropriate. The workshops are based at The Boat Museum in Ellesmere Port.

We will be travelling to the Boat Museum by coach and returning in time for lunch. Entrance to the festival is free and school will subsidise the cost of the transport.

Photographs may be taken at the event and Ignite and the University of Liverpool may wish to use the pictures on their websites, publications and press releases. This type of publicity helps promote education in Ellesmere Port and enables us to share the positive activities that are benefiting the children in our area.

Please click [here](#) to give your consent to this visit.

Yours sincerely,

R. Hughes  
Headteacher
