

Dear parents and families,

Year 4: Programme of Sacramental Preparation

We are delighted to inform you that from next month we will be offering your child an opportunity to prepare to receive the First Sacrament of Reconciliation and the First Sacrament of Holy Communion later this academic year.

The preparation programme will be mainly delivered during the school day and all participating children will be given small homework activities to complete with their families each week. The programme will be delivered in class by myself, with support from Mrs Kane and the clergy team of the parish.

Each participating child will receive their own beautifully illustrated "I Belong" book which will become their workbook and journey record.

Whilst the preparation classes will be delivered during the school day, families are warmly invited to engage with the celebration of Sunday Mass at one of our parish churches. We strongly encourage families who wish for their children to receive the sacraments to accept this invitation, so that the preparation for these precious sacraments is enriched by the gift of the Mass and fellowship of the Church family.

For your calendars, the dates of the sacramental celebrations are as follows:

Information Parents Meeting (Virtual): Thursday 7th October 6.00pm – Google Meet

First Reconciliation: Tuesday 15th February 2022pm

First Holy Communion: Saturday 12th March 2022 at 10am

Children who are baptised Catholic are eligible to participate in this programme of sacramental preparation and we require parental consent and full parental engagement with the programme. Please follow the link below to give permission for your child to participate:

There will be a virtual Parents Meeting at 6pm on Thursday 7th October where further information will be provided. Please join this meeting by following the link on your child's Google Classroom Stream.

Many thanks for your support,

Mrs Thorpe

Deputy Headteacher
