

**Appendix C: Think then Click – E-safety rules FS2/KS1**

We only use the internet and search the internet when an adult is with us. Together, we can make sure that the websites we look at are appropriate.

We can click on the buttons or links when we know what they do. We will not download and install anything on to devices on our own, without help

We will not share our passwords or any personal information with anyone.

We always ask if we get lost on the Internet.

We can send and open emails together.

We can write polite and friendly messages, texts, blogs and emails to people that we know.

We only take pictures and share / upload them if we have permission

We do not write silly or mean things about another person on the learning platform, on the internet, by text or email and when using any ICT equipment

Think before you send – always ask yourself 'how would I feel if I saw this or received this?'

With help from an adult, we will make sure that pictures, videos and music we download are not protected by copyright

**Children are asked to tick each rule after reading and then Sign.....**

**St Mary of the Angels Primary School**

The school rules will ensure that pupils stay safe while using the internet and other communications technologies for educational, personal and recreational use.

It is also intended to ensure that schools systems and users are protected from accidental or deliberate misuse which could put the security of the systems at risk.

Both pupils and their parents/carers are asked to sign to show that the e-Safety Rules have been understood and agreed.
