

Inspiring Communities Through Song

Dear Parents

Your school is taking part in a huge school community arts project which will conclude in Storyhouse Theatre in April 2020. AmaSing is a CIC company which was set up in April 2017 and hoping to gain charity status by the end of October 2019. The company aims to work collaboratively with educational establishments, arts specialists and schools, to enhance children's wellbeing, confidence, self-esteem and creativity through singing / arts projects and performances. Due to its work with schools and arts it has won The Cheshire Voluntary Arts Award in Music 2019 and Cheshire West Inspirational Teacher Award 2019.

This project is called AmaSing Fusion and the theme of the project celebrates Diversity, Difference and being unique. Groups involved include Children from 64 primary schools in Cheshire, students from The University of Chester, students from House of Dance, professional composers and artists, The Hammond School dancers, High School choirs and groups, adult vocal group The Dee Brothers Art Organisations such as Artsmark, Arts Award, Chester Zoo and The Literacy Company.

The performances will be held at Storyhouse on the 20-24th April 2020. Over the 5 days there will be more than 2000 children performing and singing a selection of songs many specially written for the project.

The University of Chester students will be working with teachers and pupils at the schools to help the pupils learn all the songs that will be performed at Storyhouse. The project will aim to support teachers and students professional development providing opportunities to expand on their skills delivering singing, music and the arts in the curriculum.

Tickets for the performances will be sold from Storyhouse box office direct. You will also be able to access the box office on the AmaSing website. Tickets will be available to purchase from November 2019 and will be approximately £16. AmaSing is supporting SEN charities this year.

St Mary of the Angels will be performing on Tuesday 21st April 2020. It is highly recommended that you buy your tickets as soon as they are released to avoid disappointment.

Please fill out slip below and permission slip form and return asap if you would like your child to be part of this event.

Children will need to wear an AmaSing T-shirt (which school will buy) and jeans or dark leggings with it.

Please look at the website www.amasing.org.uk where you will find more information/ songs/ dance moves merchandise etc and support your child in learning the songs for the big day. Please follow us on twitter @amasingcic and facebook too.

Thank you for all your support
