St Mary of the Angels Catholic Primary School
"Love Jesus, Love Learning, Love Life"

A message from Mrs Thorpe to all our families...

Our Y6 have returned to school this week after their great trip to Conway, it was wonderful to see the children challenging themselves and supporting each other as they tried new experiences. Our EYFS class have LOVED starting their workshops with Diddi-drama. This week, they were dancing in bubble showers—I couldn't resist joining in! Across the rest of the school we've had our Mad-Science Show and we also welcomed Cheshire Phoenix into school offering another fun Match Day Clinic. Today, we welcome the Hammond School of Drama here, leading drama workshops for our older children. No-one could ever say that our curriculum isn't enriching and fun here at St Mary's! It has been joyful to see all the rich and varied learning opportunities going on right through school this week. I expect your children will be tired tonight!

RUGBY FESTIVAL: Well done to our boys and girls in Y3/4 who took part in the town Rugby Festival this week. It looked great fun and it was brilliant to see everyone engaging together in this fun event. Our children are wonderful ambassadors for our school, thank you!

This Week's Special Awards

Well done to you all!

PARKING: You may have noticed me out and about on our car park this week in the mornings and afternoons. We have had two near-miss accidents this month. One was caused by a driver mounting the pavement along Rossall Grove and one was caused by a driver parking their car on the double yellow lines within our car park and blocking the view of the driver behind them. Both times a child was nearly hit by a car. Please do not park in any non-designated areas within our car park, especially the double yellow lines. Even if the car park appears quiet with plenty of space, things can change quickly. Thank you to everyone for your understanding.
