“Love Jesus, Love Learning, Love Life”

A message from Mrs Thorpe to all our families...

This will be my last Newsletter to you of 2023—but please don't forget that we are still in school next week! It has been a whirlwind of a year, with so much to celebrate in our school community. Some of the highlights have of course been our national awards for our Arts Provision and our Outdoor Learning Provision, as well as our Outstanding judgement awarded from the CSI. But even more valuable than any of these judgements and awards are the wonderful experiences of your children laughing, learning, living and growing this year. To have the privilege of supporting you as first educators of your children is a great blessing and we are grateful to every family for your trust and support. On behalf of all the staff, thank you to everyone for your kind words and warm wishes. We wish you and your families a happy, blessed and peaceful Christmas.
