Attendance for week: 97.12%

St Mary of the Angels Catholic Primary School

“Love Jesus, Love Learning, Love Life”

A message from Mrs Thorpe to all our families...

This week we celebrated the feast of the Ascension, a beautiful reminder that Jesus overcame death, not to die again, but to live forever. This feast is a reminder of Jesus’ Kingship and His final act of redemption that opens the path to us all for eternal life with our Father. The Feast of the Ascension always reminds me that Summer is also on the way! The lovely weather we’ve had this week has been glorious, long may it last. Please remember to send your child to school wearing factor 50 sun cream and with a water bottle and hat (with their name on). Lots of late arrivals of these items cause real disruption to the office as do multiple phone calls in the mornings asking parents to bring these items to school. I DO understand how busy mornings are with families and jobs to balance, but please help us to protect your child from the sun in the summer months. Thank you so much for your help.

SCIENCE WEEK! Monday 20th May marks the start of Science Week. Don’t forget to sign up and take part in our Science Fair on Wednesday 22nd May. There’s a small prize for every child who takes part and all participants will be hosting their contribution in the school hall during the afternoon for visiting classes and parents. More details to follow, but please get your Science demonstrations & investigations ready!

This Week’s Special Awards

Well done to you all!

Year 6: Daisy & Elysium

Year 5: Logan E & Indie

Year 4: Ellie-Mae & Harry

Year 3: Harry & Ivy

Year 2: Barney & Maja

Year 1: Nancy & Arabella

EYFS: Rory & Emmie

Well Done to our Y2 class who went on a huge adventure this week, taking the train Port Sunlight and learning all about the local history of this wonderful village. Their behaviour and engagement with learning was just wonderful—we are so proud of them all.

Year 1 have been busy investigating **“How to protect the golden egg”** which has led to great scientific learning. It is such a joy & privilege to see such awe and wonder on the faces of our little people. I think there is nothing more exciting than seeing children enthused by their learning! Thank you to our fabulous teachers who work so hard to make learning engaging.

FLOWER BEDS... Thank you to Mr Wittingham who has done a marvellous job building our new flower and veggie beds outside the infants. Our Y1/2 Coffee Afternoon will be raising funds for more gardening equipment—including new watering cans and compost bins. Hooray!

Dates for your diary...

- **Monday 13th May**—Y6 SATS Week begin, 8.00am club,
- **Friday 17th May**—Sports Day from 9.15am. See letters for details
- **Monday 20th May**—SCIENCE WEEK
- **Wednesday 22nd May**—Science Fair in the school hall!
- **Friday 24th May**—Y1/2 Coffee Afternoon, 2pm
- **Friday 24th May**—School closes for half term break
- **Monday 3rd June**—INSET day for staff, school closed to children
- **Tuesday 4th June**—School re-opens at 8.40am

UNIFORM... Please remember that we have baskets of FREE school uniform in the entrance hall and you are very welcome to come along and help yourself. We have summer dresses, jumpers and much more. If you have good quality uniform that your child grows out of, please recycle amongst family and friends or donate to us in school.

Next week’s Forest School Class is Y5 16/5/24

Next week’s dinner menu is Week 1
