"Love Jesus, Love Learning, Love Life"

A message from Mrs Thorpe to all our families...

Thank you to everyone who supported our Willow Art Day last week, we made some beautiful creations that will move into our Sensory Garden over the next few weeks. Our stunning willow shelter is already outside giving shade to the children who sit inside. This week has been incredibly busy—a highlight has been our Rainforest Animals workshop for Year 3; they were so brave holding pythons (called Monty!) tarantulas, geckos and much more—an amazing afternoon! Our Eco-warriors also had a brilliant time visiting Claremont Farm, learning all about the Farm to Fork journey of UK strawberries as well as learning about sustainable farming and much more..and, rehearsals have started for The Tempest....exciting times!

CONGRATULATIONS and thank you to all our children and families who celebrated First Holy Communion last weekend. It was a beautiful occasion and we are delighted to walk alongside you on your faith journey, well done children.
