Newsletter Number 12

Friday 12th July 2024

Attendance for week: 97.79%

St Mary of the Angels Catholic Primary School

"Love Jesus, Love Learning, Love Life"

A message from Mrs Thorpe to all our families...

Parents, in addition to the Newsletter already sent out this morning, there has been just SO much more going on in school this week that I have decided to send an EXTRA supplement to the Newsletter to avoid missing anything out!

Firstly, we cannot let the week go by without a special mention for our KS2 children, especially our Y6 class who led two outstanding performances of *The Tempest* this week! The singing and acting were breath taking and we were so proud of every one of you!

Secondly, our Y5 class deserve a very special mention for their BRILLIANT violin and singing concert this week. It was absolutely fantastic to hear your voices and your music, both of which were stunning. The performance of the class collectively as well as individual children were just wonderful.

Also this week we have had fantastic safety workshops in classes helping our children learn about the dangers of carbon monoxide and how to protect ourselves and stay safe.

And finally, our Y6 had a fantastic visit to West Cheshire College this week to learn about opportunities for Further Education. These experiences are invaluable in nurturing aspiration as we encourage all our children aim high!

Please remember to follow us on X (TWITTER), or use the live stream on our website to keep up to date with all the events in school and celebrate our successes with us.

Gentle Reminders...

- Please make sure that any outstanding balances on Dinner Money and Snack Money are paid before next week so that accounts can be closed for the end of year. Please also ensure that balances are topped up ready for September.
- Please remember that PE kits are to be plain shorts, joggers, etc without explicit emblems. This is inline with high school expectations and is part of our school policy
- Reports will come home on Monday, and as referenced in the last few Newsletters, parents have opportunity to drop in and speak with teachers after school on Wednesday.
