

## Spanish Pupil Voice – Spring Term 2024

I love Spanish lessons so much that I have started learning it on Duolingo (GN).

I like learning Spanish because if I go on holiday to Spain I will be able to talk to other people (DN).

I think we should do more Spanish days and not just one a year (NT).

I am looking forward to saying my colours when I go to Lanzarote on holiday (LW).

I would like to start writing letters to people who live in Spain, maybe like a pen pal (DM).

I like learning about celebrations and festivals which they have in Spain (JG).

I enjoy doing the puzzles and playing games in Spanish, it is very fun (MC).
