

ST MARY OF THE ANGELS HEADLINE DATA IN 2019 NATIONAL ASSESSMENTS & TESTS.

Please find information about results this year, in all areas of the school.

Green boxes indicate attainment at, above or well above local & national scores, at St. Mary of the Angels.

In the latest national tests, St Mary of the Angels is in the top 20% of schools nationally, for performance in Reading, Writing and Maths, as well as in Spelling, Punctuation and Grammar test; and the infant Phonics assessment.

A fantastic performance! Well done to everyone involved.

ST MARY OF THE ANGELS. YEAR 6 TESTS/ASSESSMENTS 2019.

Y6 SATS latest test results	% Children at the national standard (% attaining at greater depth in red)	
	St. Mary's	National
ALL SUBJECTS COMBINED (R, Wr, Ma)	90%	65%
Reading test	97% 60%	73% 27%
Grammar/punctuation/spelling test	97% 63%	78% 36%
Mathematics tests	97% 43%	79% 27%
Writing (internal teacher assessment)	90% 13%	78% 20%
Average scaled score; Reading	110	104
Average scaled score; Spelling, punctuation and grammar	112	106
Average scaled score; Maths	108	105

Superb attainment results against the new more rigorous standards in SATS at St Mary's in the latest published tests. The 'average scaled scores' shown indicate in short that we are above both Cheshire West and national scores in every area, with above average attainment and progress. We had a rise in attainment overall, which has kept us at or above national for 4 years in a row – this year, well above national attainment in every test area. Changes in personnel, an exciting new School Development Plan and embedding of many strategies over time (such as the Cheshire Maths Reasoning Project) have really paid dividends.

You will notice also that the number of children working at 'greater depth' standard (that is, at the higher level) is well above national too, in the tests.

We are working hard in our action plan to ensure that writing scores rise to the same standard as other scores; and we know that it is essential for more children to attain higher standards in writing across the school. Our handwriting policy, our quality scheme called 'Pathways to

Writing', a rigorous monitoring schedule, and our opportunities to write, embedded across our carefully planned curriculum, are all examples of our striving for the highest standards.

YEAR 1 PHONICS SCREENING CHECK – LATEST RESULTS.

At the end of the first year of the national curriculum (Year 1), pupils are given a national external screening assessment, to see if they know their phonics (i.e. the sounds and letters that make up the English language.)

Every year, the school has been above or well above the national average with our highest score ever, in the latest tests, as you can see below.

St Mary of the Angels	97%
Cheshire West schools average	80%
National 2018	82%

YEAR 2 TESTS/ASSESSMENTS – LATEST RESULTS.

Y2 results	% Children reaching the standard	
Subjects	Our school	National
Reading	80%	76%
Writing	77%	70%
Mathematics	83%	76%

The third year of the more rigorous year 2 testing regime proved another successful one, at the national standard, at St Mary of the Angels Key Stage 1.

Government's KS2 school average progress scores, as shown at gov.uk

St Mary of the Angels 2019

Reading 4.0

Maths -0.95

Writing (teacher assessment only) 1.7
